

REPLACE YOUR LAWN WITH BEAUTIFUL CALIFORNIA FRIENDLY PLANTS

For a limited time, you may be eligible to receive an incentive of **\$1 per square foot** (or more) to replace your lawn with beautiful California Friendly and native plants. By removing your lawn, you can lower your water bill and reduce the amount of polluted water runoff that leaves your property – eventually entering the ocean.

The Municipal Water District of Orange County, the Metropolitan Water District, and your local water provider are offering the **Turf Removal Program** to promote water use efficiency at Orange County residences, HOAs, and small businesses.

APPLY NOW – PROGRAM FUNDING IS LIMITED!

For more information regarding the Turf Removal Program, please visit www.mwdoc.com/services/turf-removal.

APPLY NOW FOR THE TURF REMOVAL PROGRAM

Application Period: July, 1, 2011 – January 27, 2012 (or until funding runs out)

Incentive: \$1 per square foot of turf removed.
(Check with your local retail water provider regarding additional incentives.)

Program Requirements:

- 250-10,000 square feet of turf may be removed and replaced with California Friendly/native plants and other permeable materials. (Smaller areas may be eligible if all grass is removed.)
- Before and after site inspections and measurements are required. (Projects started prior to the pre-site inspection are not eligible.)
- Soil must be covered with mulch or creeping ground cover.
- No invasive species may be used.

Eligibility:

- Orange County residents, HOAs and small businesses of select retail water providers. (Check the program website for a list of participating retail water providers.)
